

VTCT COMPLEMENTARY THERAPIES Diploma Level 2

Consists of 40 tuition days four assessment/portfolio building days, the participant learns the principles and practice of Complementary Therapies.

The VTCT Level 2 Diploma in Complementary Therapies is an introductory qualification that has been designed to prepare you for a career in complementary therapies. This qualification will develop your knowledge and understanding of the principles and practice of complementary therapies.

You will learn about anatomy and physiology and clinic services and business awareness. There is also a module in healthy eating and wellbeing for the complementary therapy client. You will also learn basic massage therapy, aromatherapy with pre-blends and reflexology techniques.

Students generally complete coursework online using the vtct e-portfolio system with help from the tutor. then attend tuition and assessment days. On completion of the course requirements the student will receive a VTCT Complementary Therapies certificate. Certificates are given upon satisfactory completion of the course requirements.
