

CTC accredited LEVEL 3 DIPLOMA in CRYSTAL HEALING THERAPY

ABOUT THE COURSE

This is an in-depth course aiming to give a comprehensive understanding of the theory and practice of crystal healing and the properties and uses of semi- precious stones.

Designed for therapists wanting to develop their intuitive healing potential to an advanced level, and seeking to learn new skills in crystal healing. Also suitable for those who have an interest in crystals and healing and would like to train as a crystal healing therapist.

Based on 20 tuition days, the course is in two parts and combines theory and practical exercises with home study and written work. Students create a portfolio of learning evidence, assignments and case studies. A certificate to practise may be obtained after completion of part one. The full diploma is issued after completion of part two

Level 2 Knowledge of Anatomy & Physiology is a prerequisite of the course. This can be studied alongside the crystal course if need be. An easy to use folder/ CD can be purchased from the tutor for £55

On completion of the course each student will receive a professional certificate to practice. CTC (Crystals Therapies Council) is the umbrella organization for all the regulated crystal schools in the uk and ensures national standards in training are met for this course.
