

SOOTHINGSTONES SCHOOL OF CRYSTAL HEALING

VTCT Level 3 Award in CRYSTAL THERAPY

CONTENTS OF COURSE

- Working with crystal wands
- Cleansing & Energizing crystals
- Grids, nets and configurations
- Massage with crystals
- Chakra Stones
- Meditation and visualization techniques
- Crystals Essences and Sprays
- Study of semi - precious stones
- Client care & Consultation □ Using crystals safely

Suitable for experienced holistic therapists interested in adding crystal healing to existing therapies as CPD. Prior experience of holistic therapies such as reiki or spiritual healing is preferable. Students complete a portfolio of homework and attend workshop days which will concentrate on the practical aspects of holistic crystal healing. The tutor will offer learning resources and guide you through the course requirements. You will learn the basics of how to perform crystal healing

On-line option- Work is submitted by email and attendance is via video conference. All resources are received on-line. You must be able to upload video evidence of practical routines. Attendance at one workshop day for External Quality Assurance may be required

Course start dates – Workshop days by arrangement

Course times – 10 a.m. – 4 p.m. (Observed assessment date by arrangement)

Course venue – West Yorkshire, other locations on demand

Course options - Day workshops/ On-line
